

Medsurant announces partnership agreement with Capstone Health Alliance on Intraoperative Neuromonitoring (IONM)

West Conshohocken, Pennsylvania, January 19, 2017 - Medsurant, leading provider of high quality clinical services, and Capstone Health Alliance, regional group purchasing organization of Asheville, North Carolina, are proud to announce their recent partnership agreement in the Intraoperative Neuromonitoring (IONM) service line. Medsurant provides IONM services via highly qualified and skilled clinicians in 20 states and services over 330 hospitals across the country. While Medsurant is a nationwide provider, they remain committed to providing local coverage, with local staff, management and scheduling in each of their markets. With Capstone's geographical footprint and commitment to facilitating connections between member hospitals and providers which result in quality, value and savings, this partnership is an ideal fit.

"Both Capstone and Medsurant are dedicated to offering a smooth transition of service from introduction to contracting, credentialing and implementation," says Jordan Klear, CEO Medsurant. "The Capstone Region Managers and the Medsurant Business Development and Clinical Management teams are looking forward to and are available for each step of the process."

Jackie Dula, Director of Purchased Services for Capstone Health Alliance, said, "We are pleased to partner with Medsurant, a vendor partner that shares our commitment to provide our membership top quality care while favorably impacting the bottom line. The case rate provided through our agreement will allow our membership to accurately predict costs for Neuromonitoring regardless of time or case complexity."
