Capstone Health Alliance announces partnership with Premier Capital & Construction Services

Asheville, North Carolina, Oct. 27, 2017 – Capstone has partnered with Premier’s Capital and Construction Services to offer the newly-launched Capital Analytics tool to its membership at an aggressive introductory price. Capital Analytics is Premier’s new cloud based application which can be leveraged for on-demand equipment benchmarking. The solution is easy-to-use and produces real-time results, arming leaders with line-item pricing details to bring true transparency to equipment pricing. Contact Scott Jennings at scott_jennings@premierinc.com to schedule a live demo.

About Premier’s Capital and Construction Services

Premier’s Capital and Construction Services is a comprehensive suite of solutions and services that helps members as they plan, build and maintain their facilities. From contracts that support facility operations and maintenance, to access to industry leading capital pricing, equipment planning, capital price benchmark analytics and advisors, Premier helps ensure that members are operating efficiently and effectively to reach the best price possible on services and products they contract for. To learn more about how the Capital and Construction Services team can support your needs, please email capital_construction@premierinc.com.

About Capstone Health Alliance

Capstone Health Alliance is a group purchasing alliance of healthcare members that delivers real cost savings through the power of aggregation and collaboration. Based in Asheville, North Carolina, Capstone represents over \$7 billion in acute care supply chain spend. To create the best savings opportunities for our members, we pair Premier’s national portfolio with our local aggregation model – blending the best of national and regional contracting – to continually expand our extensive portfolio of more than 600 preferred pricing agreements. Capstone delivers quantifiable savings and actionable data that enable better supply chain decisions for our member facilities. In addition to cost savings initiatives, Capstone members collaborate to share best practices and pursue resource utilization initiatives, all with the intent of improving cost, quality, and outcomes in patient care.
