Capstone Health Alliance Welcomes New Member – University of Virginia Medical Center

Asheville, North Carolina, July 9, 2021 – Capstone Health Alliance, a group purchasing organization focused on supply chain savings in hospitals and other organizations, is pleased to announce that University of Virginia Medical Center located in Charlottesville, VA has joined the Capstone group purchasing alliance membership. University of Virginia Medical Center is an integrated network of primary and specialty care services, including a 696-bed hospital and designated Level 1 trauma center, ranked as the number one hospital in Virginia for five years in a row by U.S. News and World Report.

Adam Momper, Administrator of Supply Chain at University of Virginia Medical Center, says “University of Virginia Medical Center has partnered with Capstone Health Alliance. Through Capstone and Premier, we have the opportunity to partner with regional providers and membership to secure the best products for our patients and care team. We are excited to join this collaboration as we continue our journey to standardize clinical practice and medical supplies to ensure consistent quality of care for our patients.”

Tim Bugg, President & CEO of Capstone Health Alliance, says “University of Virginia Medical Center is a quality care organization and we are honored to have them join Capstone participating in our GPO. We look forward to working with their team to reduce cost and provide valuable savings opportunities.”

About Capstone Health Alliance

Headquartered in Asheville, NC, Capstone Health Alliance is a growing regional healthcare purchasing organization with hundreds of hospitals and thousands of other healthcare providers and non-health members in 50 states. We deliver real savings and provide actionable data that enables better supply chain decisions. With a focus on helping our membership reduce costs, improve quality, and share best practices, Capstone members enjoy consistent price parity regardless of size or facility type. Our members harness the power of member collaboration to share best practices and improve clinical performance.
