True Access and Capstone Health Alliance Form Strategic Partnership *Providing advanced technology that automates and simplifies vendor management*

Tucson, AZ – September 17, 2024 – True Access, a rising leader in vendor credentialing solutions, has partnered with Capstone Health Alliance a prominent regional group purchasing organization (GPO) in the US healthcare industry. This strategic partnership will focus on delivering a best-in-class solution for vendor management. True Access developed patented technology that’s been proven to reduce friction for health systems by increasing visibility, adoption, compliance, and communication with the industry partners.

Buzz Bradley, True Access CEO

"We are excited to be aligned with Capstone Health Alliance, and to serve their community of health systems. Their elite group of hospital members, combined with our cutting-edge technology and use of automation, should prove to be a great success for all."

Tabitha Calloway, Senior Director of Strategic Sourcing, Capstone Health Alliance

"The addition of True Access credentialing for our Members will allow for a streamlined process easing the burden of vendor management. We are pleased to partner with True Access to improve and facilitate the health system and vendor relationship and help eliminate the traditional obstacles each has become accustomed to facing."

About True Access

True Access was born out of a responsibility to fix the antiquated and cumbersome vendor credentialing process for the greater good of the healthcare community. We believe deploying modern technologies and injecting our automation to the credentialing workflow is the best solution for all parties. At True Access, our mission is to be steadfast with innovative support for our partners and the greater healthcare community.
